

Parks and Recreation Department

Hello Friend,

Here at the City of Anderson Parks and Recreation Department, we strive to provide quality events and activities for both the youth and adults of our area. This may come as an active participant or simply as a spectator. Our goal is to provide **“Something for Everyone.”**

Of course, this comes at a cost. The main source of our finances does come through City tax dollars, hospitality fees, and user fees. However, we need help to fully fund the programs and activities that we offer. You can help us by becoming a sponsor at a level that you or your business is comfortable with.

Enclosed you will find more detailed information concerning the sponsorship opportunities that are available. They will allow you to get your name in front of a number of potential customers while giving back to your community in a positive way. Would you consider joining us in improving the quality of life for our community? You may reach me at dfoster@cityofandersonsc.com. I will be glad to talk to you about your options further.

Thank you,

Deborah Foster
